Together in Service

Coretta Scott King said, “The greatness of community is most accurately measured by the compassionate actions of its members.”

This powerful sentiment captures the spirit of the Charities and Youth Groups Breakfast, held during the 203rd Annual Communication of the Grand Lodge of Missouri in September. The Masonic Home of Missouri was honored to take part, alongside other Grand Lodge charities and youth group leaders from across the state, celebrating how shared compassion continues to strengthen and unite the Masonic Family. During the breakfast, Executive Director Barbara Ramsey highlighted the Masonic Home’s Fiscal Year 2025 accomplishments and expressed gratitude for the unwavering support of Missouri Lodges and Chapters.

Together, we provided \$2.6 million in direct financial assistance, positively impacting 59,221 individuals—nearly 60,000 children, families, widows, veterans, and seniors. These numbers represent more than financial assistance; they embody the compassion and dedication of Missouri Masons who live out the principles of charity and service. Through referrals, participation in Partnership Programs, veteran recognition efforts, and countless acts of kindness, Lodges and Chapters continue to bring the Masonic Home’s mission to life in their local communities. With your continued support, our reach grows even further—check the sidebar for ways to stay involved in this important work.

The Power of Family: 20 Years of the Truman Club Dinner

At the Masonic Home of Missouri, we want to extend our heartfelt thanks to everyone who attended this year's Truman Club Dinner. It was a wonderful evening filled with laughter, celebration, and meaningful moments. Together, we celebrated milestones, recognized honorees, and—most importantly—came together as one family.

This year marked the 20th anniversary of the Truman Club Dinner, a milestone that reflects two decades of incredible generosity, dedication, and faith in the Masonic Home's mission. For twenty years, our Truman Club members have stood beside us, helping make a difference in the lives of Missouri children, seniors, and families.

We also want to extend a special thank you to our event sponsors, Fellowship Lodge No. 345 and Commerce Trust Company, for helping make this evening possible. Their support embodies the spirit of partnership and community that defines the Masonic Home.

This year, we were proud to honor 54 Truman Club members who leveled up in their giving during the past fiscal year. Your continued commitment inspires us and strengthens the work we do every day.

During the evening, Executive Director Barba-

ra Ramsey shared a touching story about Frances Wind, one of the residents of the Masonic Home in St. Louis, who recently celebrated her 100th birthday. Though her family had no Masonic ties, after losing her parents, a local Mason helped her and her sisters move to the Masonic Home—where she discovered not just care, but family.

Frances spoke of her time at the Home with great fondness—of the care she received, the friendships she formed, and the opportunities that shaped her life. The Masonic Home provided her with a scholarship to attend college, and she was even married in the chapel on the Home's grounds. Her story is a beautiful reminder that family is not always defined by blood—it is defined by love, compassion, and shared values.

This theme carried into this year's Giving Tree, where Barbara invited guests to hang a gift tag symbolizing why they give. Each reason represents the heart of our mission: giving because you care, because you may need assistance, because you want to make a difference—because we are all family.

As we look back on this milestone year, we are filled with gratitude and pride. Thank you for celebrating with us, for supporting the Masonic Home, and for believing in the power of family and community.

Partners in Purpose

In October, the Masonic Home of Missouri had the opportunity to speak at the 150th Annual Session of the Grand Chapter of Missouri, Order of the Eastern Star, celebrating the remarkable partnership between the O.E.S. and the Masonic Home—a partnership built on service, compassion, and care for others.

In Fiscal Year 2025, the Masonic Home provided \$2.6 million in direct assistance to individuals and families statewide, with nearly \$1.3 million supporting our core mission programs—Long-Term Financial Assistance, Short-Term Financial Assistance, and Children’s Outreach. Of that total, 37% directly benefited O.E.S. members, providing vital support during challenging times.

Through the Masonic Home’s Partnership Programs: Masonic Family Cares, Creating-A-Partnership, and Partnering to Honor, O.E.S. Chapters and Lodges can support children, families, and veterans in their local communities. In FY 2025, partnerships with Chapters alone generated over \$200,000 in additional assistance. We are deeply grateful to the many Chapters that continue to demonstrate their commitment to the Masonic Home through the Vincil Society and our Partnership Programs.

We were honored to recognize RWB Barry W. Jenkins as the 2025 Masonic Home Representative of the Year for his outstanding dedication and service. His commitment exemplifies the generosity and compassion that define our Masonic Family.

We invite you to get involved. Ask your Masonic Home Representative how your Lodge or Chapter can partner with us, visit our website to explore our programs, and share what you learn to help spread awareness.

Together, through partnership and compassion, we can continue to bring hope and support to Missouri families.

RWB Barry W. Jenkins accepts his award.
